

What Happens in Jam Band 101?

Through fun game-based lessons, students start developing the skills to make music with a band—and have a blast doing it!

#1

Drum Circle

Kids make music RIGHT AWAY in a drum circle—and start learning how to “talk to each other” through rhythm and music.

#2

Rock Pit

Play BLAM games—that’s Big Lessons About Music!—and learn rhythm, harmony & melody and music theory along the way.

#3

Bandstand

Explore the instruments and JAM! Students learn simple technique on all the instruments.

#4

Songwriting

Every band writes an original song together—and performs it a gig!

Skills

Motivation

Just right for beginners!

Game-based learning means kids have a BLAST!

Playing music in a group teaches kids how to LISTEN—and how to work with a team!
